# CUPCAKE TOPPERS/FAVOR TAGS

## Instructions:

- ◆ Cut out each image along the border. ✂
- ◆ To use as cupcake toppers, tape or glue the image to a lollipop stick or toothpick. You can also mount the image on construction paper, or tape a second cutout to the other side of the stick, art facing out, so that the topper is double-sided.
- ◆ To use as favor tags, punch a hole near the edge and thread a ribbon through.

(Examples: “Happy Birthday!”; “Beep! Beep!”; “John turns 2!”)
- ◆ Write your message on the blank flags.
- ◆ Cut out the flags. ✂
- ◆ Lay flags out in order, blue edge up.
- ◆ Cut a piece of string long enough to hold all your flags. ✂
- ◆ Slip string under the light green edge of the flags and fold the edge back over the string.
- ◆ On the back side of each flag, use tape to secure the folded edges over the string.
- ◆ Hang up your banner and you’re ready to party!
